I would like to apply for a place in the Health and Medical Specialist Program at Manea Senior College for 2014.

Student Name: ____________________________
Parent Name: ______________________________
Phone: __________________ Email: ______________
Address: __________________________________
____________________________________________

In 2014, Manea Senior College’s second intake into the Health and Medical Specialist Program will begin, with only 25 places available.

Dedicated and enthusiastic students will receive hands on, practical experience in their area of focus, as well as vital skills and knowledge for a career in the health industry.

Opportunities for students:
- Visit universities, hospitals, sports science facilities and other health/medical providers;
- Investigate the range of career opportunities that are available in the health and medical fields;
- Apply for specific Health and Medical Specialist Program scholarships with universities and training providers;
- Apply for some of the reserved university and training places put aside for our Health and Medical Specialist Program students;
- Receive an ATAR bonus with select universities for completing the course;
- Work alongside and observe health professionals in practice;
- Obtain nationally recognised health qualifications;
- Participate in guest speaker and mentor programs; and
- Participate in a residential camp.

Application process:
1. Complete the application form and return it to Manea Senior College by Friday, August 30, 2013 (4pm)
2. Students will be required to sit a selection test to demonstrate their academic potential for this course. In addition, Year 9 NAPLAN results will be considered, along with previous school reports.
3. Students will also be expected to attend an interview to discuss their aspirations and reasons for applying for the program. Students may wish to bring along a resume or portfolio to the interview to aid discussion.
4. Testing and interviews will be held in September and applicants will be informed of exact dates closer to that time.

Have any queries? Phone Rod on 9721 0600 or email rod.rykers@education.wa.edu.au
