I would like to apply for a place in the Health and Medical Specialist Program at Manea Senior College for 2015.

Student Name: ____________________________

Parent Name: ____________________________

Phone: __________________ Email: __________________

Address: ____________________________________

I would like to combine the Health and Medical Specialist Program with:

☐ a combination of courses that will lead me to university.

☐ a combination of courses that will allow me to obtain a training qualification.

☐ I'm not sure and would like to discuss my options.

APPLICATION process:

1. Complete the application form and return it to Manea Senior College by August 30, 2014 (4pm)

2. Students will be required to sit a common aptitude test to demonstrate their academic potential for this course. In addition, Year 9 NAPLAN results will be considered, along with previous school reports.

3. Students will also be expected to attend an interview to discuss their aspirations and reasons for applying for the program. Students may wish to bring along a resume or portfolio to the interview to aid discussion.

4. Testing and interviews will be held in September and applicants will be informed of exact dates closer to that time.

Have any queries? Phone Rod on 9721 0600 or email rod.rykers@education.wa.edu.au

OPPORTUNITIES for students:

- Visit universities, hospitals, sports science facilities and other health/medical providers;

- Investigate the range of career opportunities that are available in the health and medical fields;

- Apply for specific Health and Medical Specialist Program scholarships with universities and training providers;

- Apply for some of the reserved university and training places put aside for our Health and Medical Specialist Program students;

- Receive an ATAR bonus with select universities for completing the course;

- Work alongside and observe health professionals in practice;

- Obtain nationally recognised health qualifications;

- Make links with current health and medical students from all universities.

- Participate in guest speaker and mentor programs; and

- Participate in residential camps and excursions.

Manea Senior College (MSC) is the only learning institute in the South West that specialises in Year 11 and 12 education.
