Dear Manea Senior College Community Members

Welcome to the first newsletter for 2016.

Term One is racing along and we have had a tremendous start to the year, with our enrolment reaching 500 students and the addition of 6 new staff. Our new staff and students have transitioned into the expectations at Manea well and are enjoying the unique environment on offer. We already have over 100 expressions of interest for enrolment next year as our reputation continues to grow. The process for enrolling in 2017 will commence during Term Two this year.

Part of the reason for our positive reputation is the conduct of our students and young adult manner in which they conduct themselves.

Our students have made a fantastic start to the year and continue to uphold our values of Choice, Respect, Responsibility and Success.

The success of our College also is due to the direction and leadership provided by the Manea Board and it was pleasing to see interest for vacant positions on the Board. We received three parent nominations to fill the three vacant positions as well as new nominations for our community members. I would like to take this opportunity to thank our outgoing members. Firstly David Kerr, General Manager of the Dolphin Discovery Centre and President of the Bunbury Chamber of Commerce and Industries, David has been a valued community and business member since 2009, the College’s inaugural year. I would also like to thank Alison Comparti JP, a passionate health and community services ambassador who has served on the Board for the last two years. Lastly I would like to acknowledge the work and dedication of our College Board Chair, Matt Granger, CEO Bunbury Wellington Economic Alliance, who intends to vacate his position this term. Matt has served on the Board since 2009 and has been Board chair for the past 2 years.

On behalf of the College Community I thank all three members for their valued contribution to the success and direction of the College.

In 2015 we had a very successful year with excellent student results and feedback from parents, staff and students.

---

Important Dates

Easter Break
Friday March to Tuesday March 29 (inclusive)

Last Day of Term 1
Friday April 8

First Day Term 2
Tuesday April 26

College Open Day
Tuesday April 26

Semester 1 Examinations
Monday May 23 to Friday June 3 (all students)
indicating high levels of satisfaction with Manea. The College Annual Report will become available late in Term One and enable members of our College Community to gain an insight into the successes and identified areas for development in 2016. In preparing the annual report, we have reviewed our academic performance and are pleased with the results, making the Top 50 Schools (for Stage 3 ATAR Performance) for the second consecutive year; another student joining the 99 ATAR Club; 87% of VET students achieving a Certificate II or higher with 76 Certificate III/IV qualifications obtained by our students – an excellent achievement as Manea continues to pursue the attainment of higher level qualifications for its students.

**Manea Senior College – helping to make South West Roads safer**

The Youth Driver Training Program (YDDP) aims to cut the number of young people who are injured or die on roads as a result of poor driving habits.

As Deputy Chair of the YDDP and in my role of Principal of Manea Senior College, a school whose students already or are about to commence driving, I believe it vitally important to provide valuable education and training opportunities to our young people and their parents/guardians.

The program develops positive, safe attitudes to driving, as well as teaching basic driving skills. YDDP is a not for profit community based organisation committed to improving safe driving practices of young people.

Students all complete a series of training modules which focus on positive attitudes and safe behaviours, as well as the more practical side of looking after a car and learning basic driving skills. The South West YDDP has designed programs to assist both students and their mentors (parents/carers) prepare for entering the graduate driver training and licensing system.

The courses are delivered by qualified driving instructors at our purpose built Education and Training Centre in the Bunbury Motorplex, South Western Highway (next to the speedway).

**Upcoming Training Dates – Book early:**

**Drive Safe** (1 day) $220
- Saturday 9th April
- Saturday 7th May
- Saturday 4th June

**Out-of-School Program** (full weekend) $220
- Sat/ Sun 2nd & 3rd April
- Sat/ Sun 25th & 26th June
- Sat/ Sun 6th & 7th August
- Tues/ Wed 25th & 26th October
- Tues/ Wed 8th & 9th November

**For 2016 Manea Senior College students are eligible for a $50 subsidy for one of the courses on offer. This will be reimbursed by the College (conditions apply).**

If you are interested in any of the programs, for more details please contact: Program Coordinator Irene Renfree. Mob: 0419 730 550.
Email: irenfreeyddp@gmail.com
www.facebook.com/YoungDriverDevelopmentProgram

Regards,
Rod Rykers
Principal

**Secondary Assistance Scheme**

Do you hold a Centrelink Family Healthcare Card, Centrelink Pensioner Card or Veterans’ Affairs Pensioner Card? You may be eligible for up to $350 towards school expenses. Applications close on Friday 8th April 2016. Please contact the office for further information.
Our HMSP students were also involved in a GRIP leadership conference held at the South West Italian Club with over 230 leadership students from other schools in attendance. Students learnt how to address teacher and peers in organising events, how to be resilient with programming, how to be reliable, relational and how to be respectful of other people’s ideas.

**Cert IV St John Ambulance Excursion**

St John Ambulance students were able to visit the new Rescue Helicopter based in Bunbury during the week. Students discovered the daily activities required from both the pilots and the paramedic on board. A lot of training is required to achieve this highly sort after career but the excursion allowed some of our students to realise this is still an achievable career.

**Students from Singapore visit Manea Senior College**

February 2016

Manea was fortunate to host four Japanese students from Waseda Shibuya Senior High School (Singapore) recently. The visitors were very impressed with the facilities here at the College and were thrilled with the warm welcome given by our students.

Many commented that it was ‘like a hotel’ and ‘so very modern’ compared to their school. On one occasion they were surprised by a visit from their teachers and international exchange coordinator from Perth. The teachers were amazed by the size of the College and the range of courses offered at MSC.

Our EALD teacher, Melissa Tapper enjoyed welcoming the students into her classroom of students from all corners of the globe. MSC is the only school in the South West delivering ATAR English as an Additional Language or Dialect for students born overseas.

Collaboration with overseas schools is vital to increase our intake of International students, providing a wonderful opportunity to increase cultural inclusivity across the College and the region as a whole. We look forward to hosting some students from France in the near future.
Kim Hughes Shield

The Manea Cricket team recently competed in the Kim Hughes Shield. This is the top tier competition for 50 over cricket in W.A. There were four games played against other schools in the south west. Over the last four weeks Manea S.C competed against Bunbury Cathedral Grammar, Dalyellup College, Bunbury Senior High and Mackillop Catholic College. The boys played well in all games but the highlight was a narrow win against Bunbury High in the last over of the game with some tight fielding and a handy wicket to clinch the win.

The Manea First XI

Jacob Robinson (c) Ty Verhaaf Adam Grieve Coen Bradshaw.
Gabe McAvaney Tyson Hayes
Dion Parker Abbas Kazemi
Gabe McAvaney Hamza Ghulam
Brant Wood Jack Norton – O’Donnell
Ben Topliss

Schools Classic Tennis Tournament

14 students from Manea recently competed in the Schools Classic Tennis Tournament. Many schools from the south west region descended on the Bunbury Tennis Club for the day. A fast four format was used for the competition, whereby students played doubles but as a team of four. All students enjoyed competing against some formidable opponents ‘couldn’t even see the ball on their serve’. Physical Education teacher, Kylie Glancy, who took the students to the competition, commented on the improvement she could see in all of the students over the day.

The following students represented Manea SC:

Kyle Jones
Toby McClinton-Jordan
Patrick Hann
Matt McKenzie
Coen Bradshaw
Ben Roberts
Ben Lindsay
James Rasmussen
Frank Pergoliti
Bridgette Milentis
Bree Roberts
Gabi House
Tia Wallace

April School Holiday Revision Program

Achieve your best with help from the school revision specialists

Programs available in the April school holidays:

- **Year 11 & 12 ATAR Revision Program**
  Revision and first semester exam preparation courses in ATAR subjects plus our popular Study Skills and Essay Writing courses. Six hour and ten hour courses available in both the first and second week of the holidays.

- **Year 7 – 10 Skills Development Program**
  Specialist teachers will inspire and build your child’s confidence. Courses available include: NAPLAN Preparation, Advanced Maths, Intermediate English, Foundation Maths and English, Learning Skills and Persuasive Essay Writing.

ATC Work Smart – Article No.1

Preamble: This is the first in a series of articles to provide parents, care givers and students with information about the employment and training sectors in this region. We will feature articles on general employment information and specific jobs across a range of trade and non-trade areas and about the labour market.

Apprenticeships and Traineeships: What are they?

These are generally described as Employment Based Training Programs where there is a strong structured component of formal and informal training delivered in either Off or On-The-Job arrangements with training companies, and where the context of the bulk of this learning is undertaken in the workplace. These jobs have to be managed under the watchful eye of a qualified tradesperson or practitioner or a supervisor with significant industry experience.

Apprenticeships can be as long as 2 – 4 years in duration and Traineeships can be 9 months to 2 years in duration depending on the industry area. These types of jobs provide the young person with an opportunity to complete a nationally recognised qualification at Certificate level 2 through to Diploma level (Level 5). Certificate 1 qualifications are generally what we call ‘entry-level’ or beginner qualifications that provide the basics for those industry areas and may form pre-requisites for the next higher level qualification.

School Based Traineeships are arranged as part-time employment programs (1 -2 days/week) plus part-time school as a means of allowing the student to develop real workplace skills, be paid for the work they do and achieve a Certificate II qualification while they complete their in-school program to achieve the WACE and secondary graduation.

Training for an Apprenticeship is usually delivered by a Registered Training Organisation (RTO) and is conducted Off-The-Job at a Training Centre, while training for Traineeships is done On-The-Job under the guidance of a qualified Trainer/Assessor/Supervisor.

Apprenticeships are longer in duration because of the complex range of skills and techniques and knowledge that must be learned to undertake industry specific work which is required to meet certain standards and regulations. The licenced trades (Electrical and Plumbing/Gas Fitting) are 4 years in duration and require the candidate to use complex mathematical and scientific concepts and techniques to complete certain tasks, and as such require a higher level of Maths and Science skills and knowledge to be selected for these positions.

If your child is interested in pursuing a career as an Apprentice or Trainee in these or other areas (i.e. Heavy Duty Mechanical, Light Vehicle Mechanical, Metal Fabrication, Mechanical Fitting and Machining, Building & Construction – Carpentry & Joinery, Brick & Block Laying, Gano (Concrete) worker, Roof plumber, Tiler (Roof & Floor/Wall), Ceiling fixing, Plasterer), then please talk to your Careers or VET Coordinator at your school or contact:

Steve Dix at ATC Work Smart on 0438 261 387 for further information.
Maximise Your Results with our April ATAR Revision Program

ATAR REVISION – STUDY SKILLS – ESSAY WRITING

Ways to maximise your school success

- ATAR Revision Programs - specially designed programs to help revise ATAR course content and teach you how to maximise your results. Held in the January, April, July and October holidays.

- Weekend Classes - Small group tutoring classes available throughout the year to provide on-going help as you need it. For years 7 - 12.

- Master Classes - Weekly teaching classes by expert ATAR teachers who aim to extend and teach students how to gain maximum marks.

- Individual Tuition - In your own home or boarding school. All ages, all areas.

- Study Guides - Revision questions and material to help you succeed in exams.

- Creelman Exam Questions - Past WACE exam questions arranged in ATAR topics, with model answers.

- Head Start Program - Held in January for Years 7 - 12.

- Skills Development Program - Held in April, July and October for years 7-10 to help students revise important concepts and skills and prepare for NAPLAN testing.

What our students say about ACADEMIC TASK FORCE ATAR holiday revision courses

“The small groups mean that classes are productive and friendly. I particularly liked the way teachers took time to see if I understood properly.” (Kelly, Duncraig)

“I have gained great direction, better focus, more confidence.” (Tom, Willetton)

“I now have a greater understanding of the subject and a more positive attitude towards tackling questions not previously understood.” (Sasha, Claremont)

“A great boost to my exam performance.” (Ali, Ballajura)

Why choose ACADEMIC TASK FORCE?

We are the ATAR revision specialists

Academic Task Force has worked with schools and families for 30 years and knows the local education scene well. We are a WA family run and owned company and are one of the longest established and most experienced education providers in Western Australia.

Our team of highly qualified, experienced teachers help students by building their confidence and improving their school achievement.

Our April ATAR Revision Courses will help you to achieve success

Each six hour course (3 hours over 2 days) will:

▶ Prepare you for your Semester 1 exams
▶ Revise key course content with one of our qualified ATAR teachers
▶ Boost your understanding of your course
▶ Increase your confidence and motivation
▶ Provide you with a workbook and notes to take home and use during the year

Study Skills: Learn effective study methods, time management, goal setting, reading strategies, exam and stress management techniques.

Essay Writing: Learn how to write great essays using a structure that you can adapt to any subject.

In 2015, ACADEMIC TASK FORCE students who attended our courses achieved:

- 5 General Exhibitions
- 5 Course Exhibitions
- 47 Certificates of Distinction
- 140 Certificates of Commendation

"I am very proud of our excellent record of quality teaching and the high academic results our students achieve"

Dr Pam Bagworth, Principal ACADEMIC TASK FORCE

Building resilience in young people

This course includes five short, interactive, and engaging modules that will help you understand what resilience is and the role you can play building resilience in the young people you care for.

You will learn about:
- what resilience is in the context of mental health and how it helps
- useful strategies for building resilience in young people including how to control emotions, identifying personal strengths and a step by step process for problem solving.

Navigating teenage depression

This course includes five short, interactive, and engaging modules that will help you understand depression and bipolar disorder in the context of adolescence.

You will learn about:
- the causes and signs and symptoms of depression and bipolar disorder
- useful strategies for supporting a young person you care about
- help and support services available

Access the courses at: [www.BLACKDOGLMS.com](http://www.BLACKDOGLMS.com)
More information at: [www.HEADSTRONG.org.au](http://www.HEADSTRONG.org.au)

This initiative is proudly supported by:
Make success at school a reality
ENROL WITH ACADEMIC ASSOCIATES

- You will revise course content and better understand your subject, prepare for semester one exams, receive exclusive worksheets, learn to maximise exam performance.
- Learn in a small group environment with a maximum of 15 students and receive personal help.
- The presenters are very experienced ATAR subject teachers with excellent communication skills and WACE examination experience.
- Past students have found the programs motivating, helpful and above all a valuable preparation for examinations.

COST: The complete course in each subject is $300. This includes all materials and GST. Each course is run over five days, 2 hours each day, a total of 10 hours.

EARLY BIRD BONUS!
Book online at www.academicassociates.com.au before March 21 and receive one FREE Weekend Tuition Help session valued at $42.00

24th February 2016

Dear Sir / Madam,

RE: SCHOOL BUS SERVICES TEMPORARY TRAVEL PERMIT

I am writing to advise of our protocol in regards to temporary travel on South West Coach Lines orange school bus services.

If a student wishes to travel on a school bus in which they are not authorised to travel on, a written request from their parent or guardian will be required. In order for this request to be processed, South West Coach Lines ask that the below listed information be provided via email: bookings@swcl.com.au no less than 24 hours prior to planned travel.

- Name of child requesting travel
- School bus number/service in which child will be travelling on
- Pickup and drop-off location
- Guardian/parent contact details
- Contact number for receiving adult

Please note; travel on these services are not guaranteed and are subject to availability. Thank you for your assistance with this matter and if you have any further queries, please do not hesitate to contact me.

Yours sincerely,

Francine McDonald
Operations Manager
South West Coach Lines

Talking Drugs
Parent Information Session

Parents have an important role to play in preventing and reducing their children's risk of harm from drug use.

As part of the national and state strategy to address methamphetamine and other drug use behaviour, the Department of Education and SDERA will offer a Talking Drugs information session for parents.

These 1 ½ hour sessions will be run in 11 regional areas and the metropolitan area in the evening during Semester 1.

Schools are being encouraged to inform and invite their parents to attend as places are limited.

To register for this event, go to www.eventbrite.com.au to find a Talking Drugs session near you.
