Course Charges & Costs

Information Booklet

MSC empowers young adults to advance in their careers and lives by creating a learning environment built on high standards, trust, respect and support.

Welcome to Manea Senior College. All Year 11 and 12 subject and Vocational Education & Training (VET) costs are Charges and therefore payment is compulsory. The College relies very heavily on the payment of subject and VET charges to enable our courses/programs to be adequately funded. Your support with regards to prompt payment would be appreciated.

We understand the costs of schooling can be a burden for many families particularly at the beginning of each year. Therefore, we offer a range of payment strategies to assist families in meeting their commitments. The impact on the College of large numbers of parents not paying these charges is that we will be forced to adjust courses to fit within the constraints of a reduced budget.

To allow for planning/budgeting all Charges are to be fully paid by the end of Term 1 2019. If this is not possible we request you enter into a Direct Debit Agreement with the College.

Payment Options Available

- EFTPOS:** The College has EFTPOS facilities at reception.
- Credit Card:** Credit Card payments can be made either by phone or in person via the EFTPOS machine.
- Direct Debit:** Payments can be deducted from your bank account (cheque or savings) on a weekly, fortnightly or monthly plan. To arrange for College Charges to be debited from your bank account (cheque/savings only) please contact the office.
- BPAY:** BPAY is a bill paying service that allows you to pay your bills over the telephone or internet banking online. Just look for the logo on your Account.
- Bank Transfer:** Payments can be made to the College via direct bank transfer. Details are:

Financial Assistance

Secondary Assistance Scheme:

The Secondary Assistance Scheme is available to secondary students — compulsory and post-compulsory — whose parents hold a Centrelink Family Health Care or Pensioner Concession Card or Veterans' Affairs Pensioner Concession Cards (blue card only).

The Secondary Assistance Scheme includes the Clothing Allowance and Educational Program Allowance.

If students are in receipt of Abstudy they are not eligible for the Secondary Assistance Scheme.

The Secondary Assistance Scheme is available to students up to and including the year in which they turn 18. Eligibility for the Secondary Assistance Scheme is based on a parent being the holder of a prescribed card. Students can only claim for themselves if they are classified by Centrelink as an Independent Youth. Appropriate evidence must be supplied by Centrelink to validate this claim

Clothing Allowance: \$115.00 — Department of Education will forward a payment for \$115.00 to the bank account of claimants who have satisfied the eligibility criteria. Where parents wish to direct the Clothing Allowance to the College, they can indicate their intent on the application form.

Educational Program Allowance: \$235.00 — Department of Education will pay this amount direct to the college and it will be applied to the student charges.

Applications for this scheme are completed through the College. The closing date to apply is the last day of Term 1, 2019. Parents must apply in person to the College and have their concession card with them.

Youth Allowance

A Youth Allowance is available for eligible students through Centrelink when they turn 16. Applicants are means tested and further information should be sought from Centrelink.

Abstudy

This grant is available to Aboriginal full time students. Applications and enquiries should be made direct to Centrelink.
