PURPOSE

A dress code allows all students to be equal; there is no demand on any student to keep up with the fashions or to show membership of a particular group.

We aim to prepare our students for the next step in their lives, that of work and further education. In doing so, our dress code has been developed to reflect and promote a corporate image, one designed around workplace requirements. The smart, corporate image also seeks to enhance the College reputation and standing in the community.

As members of this community, it is necessary to have a sense of belonging and identity. The way in which we support our dress code tells others in the wider community how we feel about ourselves and the College we belong to. It also allows staff to ensure security of students in their care through an effective means of identification both within and external to the College.

PROCESS

The Dress Code has been developed by the College Administration through consultation with students and parents and has been ratified by the College Board. The College Board approves the dress code and any changes in the future. Parents will be notified in writing of any changes.

Lastly, a senior college is like any workplace environment. A workplace is likely to have high standards of its personnel in regards to dress and expectations. The same applies here at Manea Senior College, we expect once a student has agreed to meet the College requirements when enrolled, that they have the maturity and responsibility to meet these obligations. Our dress code adheres to the Department of Education policy and legislation pertaining to student dress and is found on their website for further reference.
