BUNBURY REGIONAL TRADE TRAINING CENTRE
2023 PROSPECTUS

BRTTC

Bunbury Regional
Trade Training Centre

15 SCHOOLS • 3 CAMPUSES • 1 VISION

Under the Federal Government Trade Training Centres in schools program, schools in the Greater Bunbury area received over \$10.5 million in funding to establish three Trade Training Centres.

Purpose built, industry standard facilities now operate from Bunbury Catholic College site, Eaton Community College site and Manea Senior College site.

Students from the 15 consortium schools can apply to study Vocational courses delivered by industry leading Registered Training Providers.

Our Consortium schools are:

-  Australind Senior High School
-  Bunbury Cathedral Grammar School
-  Bunbury Catholic College
-  Bunbury Regional Community College
-  Bunbury Senior High School
-  College Row School
-  Cornerstone Christian College
-  Dalyellup College
-  Eaton Community College
-  Georgianna Molloy Anglican School
-  Grace Christian School
-  Harvey Senior High School
-  Hope Christian College
-  Manea Senior College
-  Our Lady of Mercy College

52893WA – Certificate II in Building and Construction (Pathway - Trades)

COURSE DESCRIPTION

Provides practical skills and insight into the construction industry, particularly in the brick and blocklaying field, and the carpentry and joinery field. This course aims to provide students with an insight into a career in the construction industry.

Students can expect to: learn about safe working practices, learn about working effectively in the building industry, gain basic practical hand skills, handle tools and equipment in a safe working environment and effective workplace communication.

PRE-REQUISITES

There are no pre-requisites for this course, however there is an application process for the CTF Funded Scholarship.

WHY CHOOSE THIS COURSE

Do you like practical learning? Do you want to learn new skills? Are you interested in the construction industry? This could be your first step towards a career in the construction industry.

- Complete your White Card qualification
- Learn about safe work practices
- Aim to become competent in practical skills
- Utilise your knowledge on site during work placement opportunities.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

Completing the course could be your first step towards an apprenticeship within the Carpentry and Joinery or Bricklaying/Blocklaying trades. Get a head start and have industry knowledge before you commence an apprenticeship.

PATHWAYS FROM THE QUALIFICATION

The course contains generic core units such as; work effectively and sustainably in the construction industry; apply OHS requirements; workplace communication; conduct onsite work place learning and more. These generic units can also be relevant to other trade focused areas.

COST/FEE PAYMENT OPTIONS

This program is fully funded by CTF (Construction Training Fund).

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
There are no fees as this course is fully funded by CTF (Construction Training Fund). CTF also fund uniforms and PPE.	There are no fees as this course is fully funded by CTF (Construction Training Fund). Note: Delivery arrangements subject to CTF tender.	1 day / week over 2 years (plus WPL)	Thursday	220 hours in total. Skill Hire to cover insurance. Skill Hire/school to organise work placement. WPL is a TP requirement and must be in the construction industry.

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

52887WA – Certificate II in Plumbing

COURSE DESCRIPTION

Provides practical skills and insight into the plumbing and gas fitting trades. This program offers students the chance to learn part of a first year apprenticeship in plumbing without having to be employed as an Apprentice. Students are offered both classroom learning, hands on skills in our simulated work environment and on the job experience as part of their work placement.

PRE-REQUISITES

Minimum completion Year 10, resume and application form, basic aptitude test (English and Maths), interview, Australian citizen or permanent resident, good attitude.

WHY CHOOSE THIS COURSE

Remain enrolled in your current school, whilst completing Year 11 and 12. Attend training one day per week in the Trade Training Centre under the direction of MPA Skills trainers or one day per week work experience with a qualified tradesperson (timetable will be supplied). Uniform and safety equipment supplied. MPA Skills will provide assistance to schools for sourcing a Licensed Plumber for work related activities (find Host Employers for work experience).

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

On completion of a Certificate II in Plumbing 52887WA, employment opportunities include Builder's labourer, Construction Assistant or progression into an Apprenticeship as a Plumber or Plumber – Gasfitter. Further studies can lead to Air Conditioning Technician, Fire Services Supervisor, Contractor, Specialist Hydraulic Designer and more!

PATHWAYS FROM THE QUALIFICATION

Full-time indentured apprenticeship and further studies in technical or specialist areas.

COST/FEE PAYMENT OPTIONS

This program is fully funded by CTF (Construction Training Fund).

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
There are no fees as this course is fully funded by CTF (Construction Training Fund). CTF also fund uniforms and PPE.	There are no fees as this course is fully funded by CTF (Construction Training Fund). Note: Delivery arrangements subject to CTF tender.	1 day/ week over 1 year plus WPL	Thursday	158 hours over the duration of the course (1 year). Students are covered under MPA Skills Insurance. MPA Skills are required to find and organise the work placement for the students which must be completed with a qualified tradesman.

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

AUR20420 – Certificate II in Automotive Electrical Technology

COURSE DESCRIPTION

This qualification reflects the role of individuals who perform a range of tasks relating to installing, assembling and servicing electrical components and systems of motor vehicles in the automotive electrical installation, service and repair technology sector.

PRE-REQUISITES

There are no pre-requisites for this course.

WHY CHOOSE THIS COURSE

This qualification will suit students who are wanting to go into an Automotive Electrical apprenticeship. It would also suit students who have completed an alternative Certificate II in the Automotive field and wanting to improve their employability.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

- Automotive Electrical Trainee / Assistant
- Automotive Electrical Component Installer

PATHWAYS FROM THE QUALIFICATION

Further training pathways from this qualification include AUR30320 Certificate III in Automotive Electrical Technology, or other relevant qualifications.

COST/FEE PAYMENT OPTIONS

Payment options are available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$3250	BRTTC fee of \$320	2 days / week over 3 terms (including WPL)	Tuesday or Friday plus WPL	100hrs within the 3 terms and the course schedule. School to cover insurance. Student/school to organise work placement (to be approved by RTO). WPL is an assessment requirement and must be in an automotive environment.

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

AUR20520 – Certificate II in Automotive Servicing Technology

COURSE DESCRIPTION

This qualification covers the skills and knowledge related to servicing light vehicles. This qualification is typically used to develop workers who are performing vehicle service functions in an automotive environment and would perform a range of mechanical operations involving known routines, methods and procedures.

PRE-REQUISITES

There are no pre-requisites for this course.

WHY CHOOSE THIS COURSE

This course will suit students who are wanting to go into a Mechanical Apprenticeship in either Light Vehicle or Heavy Mechanical. This course will give you a good understanding and foundation for the training that will be required for your Apprenticeship.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

- Automotive Assistant
- Apprentice Mechanic

PATHWAYS FROM THE QUALIFICATION

Students completing this qualification can pursue employment opportunities in the industry or use the qualification as a stepping stone into further studies at a Certificate III level and higher. Alternatively, additional Certificate II qualifications in the Automotive industry can be explored. Possible apprenticeship in Automotive field or direct employment assisting servicing of vehicles in an automotive service or repair business.

COST/FEE PAYMENT OPTIONS

Payment options are available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$3250	BRTTC fee of \$320	2 days / week over 3 terms (includes WPL)	Monday or Thursday plus WPL	100hrs within the 3 terms and the course schedule. School to cover insurance. Student/school to organise work placement (to be approved by RTO). WPL is an assessment requirement and must be in an automotive environment.

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

HLT21020 – Certificate II in Medical Service First Response

COURSE DESCRIPTION

Students will learn the role of first medical response workers or volunteers who provide initial care to patients. These people provide basic First Aid and emergency responses in the pre-hospital/out of hospital environment.

PRE-REQUISITES

There are no pre-requisites for this course however it is recommended that students have sound literacy and numeracy skills.

WHY CHOOSE THIS COURSE

This course is ideal for students considering a hands on practical course and looking for a career in First Aid or Ambulance work. Students are taught by fully qualified lecturing staff with Paramedic and First Aid industry experience providing students with relevant training. We work closely with each student, customising training for the individual. Scenarios, role playing in a clinical environment, guest lectures and excursions are all part of the training with the latest equipment.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

- Community based first responder
- Emergency medical responder (mining sector)
- Workplace first responder
- Volunteer first aider

PATHWAYS FROM THE QUALIFICATION

The units completed in this course may provide credit towards a range of qualifications from Certificate III level and above, allowing students to continue with their First Aid / Health training.

A pathway from Certificate II in Medical Service First Response year 11, then onto Certificate IV in Health Care for year 12, with the Diploma in Paramedic Science available from there and onto University entrance second year ECU Paramedicine has been developed.

Students receive 7 unit credits continuing onto the Certificate IV in Health Care into year 12.

COST/FEE PAYMENT OPTIONS

Resource fees include: course modules, text book, uniforms. Payment plans available for direct payments.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$1795	BRTTC fee of \$320. \$190 books and uniforms.	1 day / week over 3 terms	Thursday	WPL is not compulsory.

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

MEM20413 – Certificate II in Engineering Pathways

COURSE DESCRIPTION

This qualification is intended for students interested in exposure to an engineering or related working environment. This qualification will equip graduates with knowledge and skills which will enhance their prospects of employment in an engineering or related working environment.

PRE-REQUISITES

There are no pre-requisites to this course.

WHY CHOOSE THIS COURSE

The qualification is intended for students interested in exposure to an engineering or related working environment with a view to entering into employment in that area. The Certificate II in Engineering gives excellent skills development and the basic underpinning knowledge required for a career in this field. The course will provide a significant advantage for people seeking an apprenticeship.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

The aim of this course is to achieve an apprenticeship or work in a related industry area.

PATHWAYS FROM THE QUALIFICATION

A Certificate III in Engineering (various streams) or similar apprenticeship qualification, pre-apprenticeship course or indentured apprenticeship in Engineering.

COST/FEE PAYMENT OPTIONS

Payment options are available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$2500	BRTTC fee of \$320	1 day/ week over 3 terms.	Thursday or Friday	Not compulsory but recommended. School covers insurances. School/student to organise placement.

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

UEE22020 – Certificate II in Electrotechnology (Career Start)

COURSE DESCRIPTION

The qualification is designed to provide participants with industry specific training to gain skills, knowledge and behaviours to enable transition into an indentured apprenticeship in the Electrotechnology Industry.

PRE-REQUISITES

All applicants are required to undertake a literacy and numeracy pre-selection test administered by the College of Electrical Training. The test is specific to transposition of formula, trigonometric ratio and algebra.

WHY CHOOSE THIS COURSE

The qualification covers competencies fulfilling the requirements of a work entry program and provides grounding in safety, opportunity to develop high level individual and team communication skills and the undertaking of work placement.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

Electrotechnology and Telecommunications.

PATHWAYS FROM THE QUALIFICATION

Pre-apprenticeship course or indentured apprenticeship in Electrotechnology field.
Certificate III in Electrotechnology (Electrician).

COST/FEE PAYMENT OPTIONS

N/A.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
Nil – funded	BRTTC fee of \$320	2 days / week over 1 year (includes WPL)	Thursday and Friday	162 hours. Schools to cover insurance. School/student to organise work placement. WPL is a TP requirement and must be completed with a registered Electrical Contractor.

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

AHC30716 – Certificate III in Horticulture

COURSE DESCRIPTION

This course is designed for students who love working outdoors and are interested in working in a range of industries related to horticulture. The course covers understanding the biology of plants, how to control weeds, plant nutrition, propagation and managing plant diseases and pests.

PRE-REQUISITES

Nil.

WHY CHOOSE THIS COURSE

This course is best for those who love working outdoors and are interested in working on farms, vineyards or other horticulture areas .

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

Horticulturist, Irrigation Service Technician, Horticulture Consultant, Sustainable Horticulture Promotional Officer, Interior Plantscaper, Gardener.

PATHWAYS FROM THE QUALIFICATION

Students could move into a range of areas proceeding to a Cert IV or moving to a similar area within Agriculture and Horticulture.

COST/FEE PAYMENT OPTIONS

The following payment options are available:

Direct credit, cheque/Money order by mail or in person, cash in person, EFTPOS, credit card in person or over the phone. Interest free payment plans are also available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$2750	BRTTC fee of \$320	1 day / week over 3 terms	Friday	Nil required.

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

AVI30419 – Certificate III in Aviation (Remote Pilot)

COURSE DESCRIPTION

The Certificate III in Aviation (Remote Pilot) AVI30419 is the highest qualification available for those who wish to develop industry leading skills within the remotely piloted aircraft system (RPAS) industry. Along with achieving your Certificate III level qualification in RPAS, you will also obtain a Civil Aviation Safety Authority (CASA) Remote Pilot Licence (RePL).

PRE-REQUISITES

Minimum age of 15 years and completion of Year 10 or equivalent.

WHY CHOOSE THIS COURSE

Obtaining your Remote Pilot License (RePL) is the first step to being able to operate remotely piloted aircraft systems (RPAS), otherwise known as drones or UAV's for commercial or business purposes without many weight or operating restrictions. The unmanned aviation industry is set to grow significantly in the next decade and remote piloted aircraft (RPA) have already begun replacing manned aircraft in many roles.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

Surveying, inspection, construction, media, insurance, mining and resources, emergency services

PATHWAYS FROM THE QUALIFICATION

Students completing this qualification can pursue employment opportunities in the industry or use the qualification as a steppingstone into further studies at a Certificate IV, Diploma or Advanced Diploma level. Alternatively, additional Certificate III qualifications in Aviation can be explored, e.g Senior Flight Attendant, Cabin Crew, Helicopter Rescue Crewman.

COST/FEE PAYMENT OPTIONS

Payment options are available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$2300	BRTTC fee of \$320	1 day / week over 2 terms	Wednesday	Nil required

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

BSB30120 – Certificate III in Business

COURSE DESCRIPTION

This qualification looks at the fundamentals of team management and administration in a business environment . This course also focuses on operational planning and looking at ways for continuous improvement, personal development and innovation. It is suitable for students that want to gain insight and skills to pursue a career in business.

PRE-REQUISITES

There are no pre-requisites for this course.

WHY CHOOSE THIS COURSE

All successful organisations and businesses need effective management and administration. Leaders and Administrators need to be agile and responsive to a changing and diverse workplace. Workforces can take on the personality of their leadership team, so by having strong leadership skills and understanding of how to apply these correctly, you can be the major factor that makes everything work for a business or organisation.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

- Customer Service Adviser
- Team Leader
- Personal Assistant
- Business Administrator

PATHWAYS FROM THE QUALIFICATION

Further study options include a range of Certificate IV courses including Business, Customer Engagement, Work Health and Safety or Leadership and Management.

COST/FEE PAYMENT OPTIONS

Payment options and plans are available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$1600	BRTTC fee of \$320	1 day / week over 2 terms	Monday	Not compulsory but recommended. School covers insurances. School/student to organise placement.

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

CHC30121 – Certificate III in Early Childhood Education and Care

COURSE DESCRIPTION

This qualification reflects the role of workers in a range of early childhood education settings who work within the requirements of the Education Care Services National Regulations and the National Quality Standard. They support the implementation of an approved learning framework, and support children's wellbeing, learning and development. Depending on the setting, educators may work under direct supervision or autonomously.

PRE-REQUISITES

There are no pre-requisites for this course.

WHY CHOOSE THIS COURSE

This course is flexible and you will receive training and assessment from Lecturers who have relevant industry experience. The RTO prides itself on the support and guidance it offers its students. They work in partnership with students, school VET coordinators and parents to ensure that students reach their potential.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

- Educator
- Early childhood educator
- Nanny
- Family day care educator
- Outside school hours care educator
- Family day care coordinator
- Service Director/Centre Director

PATHWAYS FROM THE QUALIFICATION

Upon completion of this course, you could continue on to complete the Diploma in Early Childhood Education and Care or any other Certificate IV or Diploma in the Community Services area.

COST/FEE PAYMENT OPTIONS

The following payment options are available: Direct credit, cheque/Money order by mail or in person, cash in person, EFTPOS, credit card in person or over the phone. Interest free payment plans are also available.

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

CHC33015 – Certificate III in Individual Support (Community or Disability streams)

COURSE DESCRIPTION

This course provides participants with the skills and knowledge to work in the community and/or residential setting who follow an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason. Work involves using discretion and judgement in relation to individual support as well as taking responsibility for your own outputs. Workers have a range of practical skills, procedural knowledge, as well as some theoretical knowledge regarding the concepts and practices required to provide person-centred care and support.

WHY CHOOSE THIS COURSE

The course is recommended for people with a caring and patient nature who are seeking a rewarding career in caring for the people with disabilities, the elderly or people requiring individual support in their homes. Students are taught by fully qualified lecturing staff with industry experience providing students with up-to-date training and techniques. We work closely with each student, customising training for the individual.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

Career options include Accommodation Support Worker, Personal Care Giver and Respite Care Worker in the home or with institutions.

PATHWAYS FROM THE QUALIFICATION

Students can consider completing CHC43015 Certificate IV in Ageing Support or other courses from the Health Training package. The units completed in this course may provide credit towards a range of Health qualifications from Certificate III level and above, allowing students to continue with their health training.

COST/FEE PAYMENT OPTIONS

Resource fees include course modules, textbook, uniforms. Payment plans available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$5390 (paid over 2 years)	BRTTC fee of \$320. \$190 Modules and uniform.	1 day / week over 2 years	TBC	Nil required

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

HLT33115 – Certificate III In Health Services Assistance

COURSE DESCRIPTION

This qualification reflects the role of a variety of workers who use a range of decisions, practical procedures and knowledge to provide assistance and support to health professional staff for the care of patients. Health Services Assistance involves working with patients directly under supervision in a wide variety of health fields. This course is practical and endeavours to highlight the wide range of health sectors available to gain a career. Students will attain comprehensive knowledge in infection control, communication, working with colleagues in the health sector, WHS, medical techniques, moving patients, patient observations, medical communication.

PRE-REQUISITES

There are no pre-requisites for this course, however it is recommended that students have sound literacy and numeracy skills.

WHY CHOOSE THIS COURSE

A Health Services Assistant is typically someone who is caring and trained ready to provide practical assistance to health professional staff for the care of patients. You provide hands on support and make decisions on patient care. Rewarding career for those who are looking to enter the Health Profession on a higher level and are looking for career pathways.

Students also undertake preparation for Nursing in this course which includes though not limited to: Medical Terminology and techniques, Infection control, working and communicating in a Medical environment and First Aid (First Response). Students are taught by fully qualified lecturing staff with industry experience. This is a practical course and lecturing staff work closely with each student.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

- Nursing Assistant - Patient Care Assistant
- Nursing Support Worker - Patient Service Attendant - Orderly and Ward Assistant.

PATHWAYS FROM THE QUALIFICATION

Students can enter the Diploma of Health Science course and receive a direct offer to Edith Cowan College on successful completion of the Cert III in Health Services Assistance. Year 11 or year 12 General English with a 50% pass will also be required. (ATAR English is not required).

Complete the first and second year Diploma of Health Science at ECC (Edith Cowan College) which is equivalent to 1st year ECU (Edith Cowan University) – Students if accepted into ECU, go straight into second year at ECU after they complete the Diploma.

There are different streams that are available in the Health Sciences – Nursing, Psychology, and Biological science. There are also many areas of Health to pursue – Paramedic, Physiotherapy, Pharmaceutical, Health promotion etc.

All costs are correct at time of publishing but may be subject to change.

HLT35021 – Certificate III in Dental Assisting

COURSE DESCRIPTION

Students will learn the skills to be a professional health worker as a Dental Assistant who assist a Dentist, Dental Hygienist or a Dental Therapist during Dental health procedures. Their role includes reassuring the patients, mixing dental materials, and setting up for dental procedures, passing instruments, maintaining high standards of infection control and assisting with practice administration in the dental sector. The course is conducted over 2 years with work experience components embedded in the course.

PRE-REQUISITES

There are no pre-requisites for this course. Course is conducted over 2 years. Students entering course in Year 12 will be required to complete training in the following year and different fees may apply for 2nd year units. Work experience is required to complete this course. The RTO will make every effort to assist students in finding work placements, as they have a strong connection with the Dental Profession spanning over 20 years.

WHY CHOOSE THIS COURSE

This course is ideal for students who enjoy caring and communicating with people and prefer practical training. The RTO specialises in Dental and Health training. This hands-on course is taught by fully qualified lecturing staff with dental industry experience, providing students with up-to-date training and techniques in one of the most outstanding Dental Training facilities in Australia, provided by the BRTTC.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

Career options include Dental Assistant (Nurse) Private or Government sectors, specialist Dental Nurse, Sterilization Nurse and Dental Receptionist. Employment options around the State are excellent in the dental health sector.

PATHWAYS FROM THE QUALIFICATION

Some units completed in this course will provide credit towards HLT45021 Certificate IV in Dental Assisting and other courses in the Health Training package. This qualification provides excellent diversity with career options and entrance to University.

COST/FEE PAYMENT OPTIONS

Resource Fees include: course modules, text book, uniforms. Payment plans available for direct payments.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$5390 (paid over 2 years)	BRTTC fee of \$320. \$190 books and uniforms.	2 days week over 6 terms (includes option for work placement)	Thursday and Friday	To achieve this qualification, the student will complete 300 hours of work experience. Students will be required to work through some school breaks. RTO will assist with placements.

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.

HLT43015 – Certificate IV in Allied Health Assistance

COURSE DESCRIPTION

This course is a medical / health care-based programme which prepares participants to assist professional health workers in providing therapeutic services to their patients. This is a two-year course that is ideal for students considering a practical course and looking for a career in high level health care or looking for pathways to University in Health Science /Nursing programmes.

PRE-REQUISITES

There are no pre-requisites for this course. Course is conducted over 2 years. Students entering course in Year 12 will be required to complete training in the following year and different fees may apply for 2nd year units. 120 hours of work experience is required to complete this course.

WHY CHOOSE THIS COURSE

This qualification is for individuals who demonstrate a natural empathy and are caring individuals who have quite often completed the Certificate III in Health Services Assistance. This qualification reflects the role of workers who provide therapeutic and program related support to allied health professionals. The worker is required to conduct therapeutic and program related activities under the guidance of an allied health professional. Supervision may be direct, indirect or remote and must occur within organisation requirements. The worker is required to identify client circumstances that need additional input from the allied health professional. The worker may be engaged to work in a specialty area or work generically across the organisation in delivery of Allied Health Assistance services. The worker, in conjunction with the Allied Health Professional, may have responsibility for supervising other Allied Health Assistance workers. You will find you are working with the patient directly.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

Assistant in Radiography, Physiotherapy, Psychology, Disability, Home Care and Aging fields and other health professional areas.

Further educational pathways into Degree courses at ECU such as Nursing, Psychology, and Paramedic etc. may be available, conditions apply. The units completed in this course may provide credit towards a range of qualifications from Certificate IV level, with direct entrance to some University Health Science programmes (English conditions may apply).

COST/FEE PAYMENT OPTIONS

Resource fees include course modules, textbook, uniforms. Payment plans available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$5390 (paid over 2 years)	BRTTC fee of \$320. \$190 Modules and uniform.	1 day / week over 6 terms (plus WPL)	TBC	120 hrs of work experience. Term break work may be required. Support provided. School to provide insurances.

RTO Partnership Agreements: At the time of publication, no agreements have been entered into with Registered Training Organisations for the delivery of these qualifications in 2023. On the basis of interest from students in the listed qualifications, the Bunbury Regional Trade Training Centre will initiate formal partnership agreements with RTO's for the delivery of qualifications in 2023. All costs are correct at time of publishing but may be subject to change.
