**2025**

# **Course Charges & Costs**

## **Information Booklet**

MSC empowers young adults to advance in their careers and lives by creating a learning environment built on high standards, trust, respect and support.

## Schedule of Contributions and Charges 2025

Welcome to Manea Senior College. All Year 11 and 12 Subject and Vocational Education & Training (VET) costs are Charges and therefore **payment is compulsory**. The College relies very heavily on the payment of subject and VET charges to enable our courses/programs to be adequately funded. Your support with regards to prompt payment would be appreciated.

We understand the costs of schooling can be a burden for many families particularly at the beginning of each year. Therefore, we offer a range of payment strategies to assist families in meeting their commitments. The impact on the College of large numbers of parents not paying these charges is that we will be forced to adjust courses to fit within the constraints of a reduced budget.

To allow for planning/budgeting all charges are to be fully paid by the end of Term 1 2025. If this is not possible, we request you enter into a Direct Debit Agreement with the College.

### **VET Qualifications with Bunbury Regional Trade Training Centre (BRTTC) or other Registered Training Organisations (RTO's)**

Training courses are generally categorised in two ways:

- **Publicly Funded Courses** - these are government funded courses which primarily occur through TAFE Colleges. Students who are successful in gaining entry to a TAFE course (with no course cost) are only able to access one funded course during their Year 11 and 12 education - TAFE ruling.
- **Fee for Service Courses** - these courses are generally run by private RTO's and have costs associated with course delivery. Courses run by the BRTTC and private RTOs fall into this category.

If you have been accepted into a Vocational Training course at BRTTC or another RTO as part of your full-time enrolment with Manea Senior College, and there are course enrolment charges associated with the qualification, Manea will subsidise these costs for you up to the amount of \$1,000 for all Year 11 students. Year 12 students are also eligible for this subsidy upon successful completion of Year 11 courses and full payment of any VET charges from Year 11. If there is a balance payable over and above the \$1,000 a separate communication will be sent to you for this amount.

There will be a 50% deposit required to confirm enrolment in the courses that are over \$1,000 per year and this deposit is required to be paid to the College by the 29 November 2024. Students moving into Year 12 who are undertaking a fee for service VET qualification, a 50% deposit is also required before a VET course can be confirmed and the student enrolled.

### **FINANCIAL ASSISTANCE**

**Secondary Assistance Scheme:** To be eligible for the allowance the parent/guardian must hold a valid Centrelink card (Health Care/Pensioner Concession) or Veterans' Affairs card that has the students listed.

The Secondary Assistance Scheme consist of 2 components.

- **\$300 Clothing Allowance** paid directly to the parent/guardian or the College.
- **\$235 Educational Program Allowance:** paid directly to the College.

Applications for this scheme are completed through the College. The closing date to apply is the last day of Term 1, 2025. Parents must apply in person to the College and have their concession card with them.

If students are in receipt of Abstudy they are not eligible for the Secondary Assistance Scheme.

### **Youth Allowance**

A Youth Allowance is available for eligible students through Centrelink when they turn 16. Applicants are means tested and further information should be sought from Centrelink.

## **Abstudy**

This grant is available to Aboriginal full-time students. Applications and enquiries should be made direct to Centrelink.

**PERSONAL ITEMS AND OTHER SERVICES:** These costs are met by parents.

### **Type 1: Items for personal use:**

BYOD (bring your own device), calculator, stationery.

Campion is our preferred supplier for all student stationery requirements and textbooks. In lieu of a rebate to the College, Campion provide a 20% discount for Stationery and a 10% discount for Texts if sold through our Book/Resource List. The discount price has already been built into the price on our lists. Parents/caregivers can purchase from another supplier. If you are purchasing textbooks from someone other than our preferred supplier, please take care to ensure you are getting the correct copy/edition for the course. Please ensure the student has all the necessary items required for the courses they are enrolled in. **As there is no store in Bunbury offering a back-to-school service ordering will be on-line. Packs are delivered to your home address.**

**Note: The Charges & Contributions Sheet will list the courses your child has been accepted into. You can use this sheet to match with the stationery and text requirements to determine exactly what you need.**

### **Type 2: Other personal items required for school:**

School bag, sports clothing, compulsory school uniform. **Uniform Concepts, 4/118 Spencer Street, South Bunbury** is the sole supplier of the College Student Uniform.

## ADDITIONAL COST ITEMS

Manea Senior College may during 2025 offer some optional activities that will have a high cost associated with their provision. Participation in these events is voluntary, but a charge is payable if your son/daughter opts to participate. The amounts listed below are the maximum costs. Parents will be notified of exact amounts and details prior to these activities being offered to students:

• <b>Country Week</b>	<b>\$650</b>
• <b>Various Camps (Learning Areas, Cadets)</b>	<b>\$600</b>
• <b>Various Class Excursions</b>	<b>\$500</b>
• <b>Health &amp; Medical Specialist Program Camps</b>	<b>\$1000</b>
• <b>Out on Country Expedition</b>	<b>\$1200</b>
• <b>College Ball Ticket (<u>See Note Below</u>)</b>	<b>\$130</b>
• <b>Leavers Jacket (Year 12 Students Only)</b>	<b>\$120</b>

### College Ball

The College Ball is a Year 12 event. Outside partners may be considered through an approval process. The number of outside partners is also dependent on the number of tickets available to the event.

### Leaver's Ceremony & Awards Evening: \$10.00 – Year 12 Students Only

Year 12 leaving students are required to wear a Gown if they are attending the official Leavers Ceremony & Awards Evening. This charge is for the hire of the Gown and a Sash with the year of finishing school that the student will keep. The charge also covers a contribution towards event costs and limited tickets to the Ceremony. This charge is only payable by Year 12 students.

### Yearbook (Optional Cost): \$25.00

This book is a compilation of photos, events and stories that have happened at the College over the year. It is produced by our students and staff as a keepsake to look back on.

### Printing: \$20.00

All students at the beginning of each year will be credited with \$20.00 to allow them to print computer generated assignments and internet downloads. Printing at the College is charged at 0.02 cents per A4 copy (B & W) 0.08 cents per A4 copy (Colour). If the \$20.00 is used prior to the end of the year, the balance can be topped up in \$5 increments through Reception.

### Photocopying: \$15.00

This charge is to cover general limited photocopying completed by students throughout the year.

### Smart Rider/Student Card: \$5.00

Each student is issued with a Smart Rider Card with their photo (with parent permission). This card allows students to be eligible for concession travel on WA public buses and trains. The card can also be used as identification at the Movies etc for discount student entry rates.

### Student Central: \$10.00

This request is put towards materials, resources, games, and magazines for inclusion in the Resource Centre for use by the students.

### College Parking

With over 500 students and 75 staff and only 76 parking bays, we face significant challenges regarding parking. Therefore, student parking is only available as follows:

- 15 Parking Bays available in the YELLOW marked zone for Year 12 students.
- Permit Application: Students can apply for a free parking permit, but availability exceeds spots, so it does not guarantee a space.
- Encourage car-pooling or alternative transport options are recommended.
- The City of Bunbury enforces parking rules. Fines for violations are issued, and all inquiries must go to them, not Manea.

### Paid Parking – Edith Cowan University (ECU)

In 2025, Year 12 students can apply to purchase parking permits for ECU (Carpark 4) via an application process. There are limited spaces available (70) at a cost of approximately \$98 per year. Please note that there will be no parking available at TAFE in 2025.
