SPONSORSHIP OPPORTUNITIES

A COLLEGE OF CHOICE

Since opening our doors in 2009 with 148 students, Manea Senior College (MSC) has grown to become the largest provider of Year 11 and 12 education in the south-west with over 500 students enrolled each year.

LIFE BEYOND COLLEGE

MSC has come to symbolise and exemplify excellence in public school education via the partnerships forged between students, staff, parents and the wider community and offers a young-adult learning environment which seeks to assist in preparing students for life, by helping them transition to the world of further training, education and employment.

SUPPORT & DEVELOP

Why Sponsor? To support and develop our youth to reach their full potential, equipping them to be resilient and flexible people who can chart their own course in a rapidly changing world.
