UniPrep Schools: Course Selection Information

Year 11/12 and Year 12 Programs

Our school has partnered with Edith Cowan University (ECU) to offer students a university pathway through the UniPrep Schools Program. It is offered to our Year 11 students to complete over two years, and to our Year 12 students to complete in their final year of senior school.

The UniPrep Schools Program contains four academically-rigorous units: Future Ready Skills; Academic Literacies; Society and Cultural Studies; and Mathematics. Students complete all four units over two years (in Years 11 and 12) or in one year (Year 12). On successful completion of those units and graduation, students can then apply for most of ECU's undergraduate degrees (excluding courses with specialist entry requirements).

This Program complements other senior school studies by helping students to further develop their academic skills and integrates university experiences, including attending tailored open days at ECU.

UniPrep Schools is an endorsed program that provides up to one-unit equivalent (C grade) for each of the four units successfully completed. It offers a skills-focused university pathway that prepares students for the requirements of undertaking a university degree.
